<p>The oratorio choir Würzburg is an integral part of the cultural life in Würzburg. Every year the choir performs three to four demanding works from sacred and secular choral literature in large, symphonic concerts. Around 100 music enthusiasts and choir experienced singers from all over the region meet weekly and on some Saturdays of the year in order to prepare the works in intensive rehearsals. Module participants take part in the rehearsals and concerts of the choir and help organize and design concerts and additional events. This gives participants a comprehensive insight into the work of the oratorio choir.</p>		
<b>Intended learning outcomes</b>		
<p>[In the following description, the male form is used as gender-neutral for better legibility of the text.]</p> <p>The module covers three subject areas (I) voice training, (II) work analysis, (III) concert organization and cultural management.</p> <p>(I) The student develops vocal precision and security and is able to demonstrate his vocal potential as a contributing artist in an ensemble. The student familiarizes himself with different styles of music with their necessary nuances of expression, and he can apply these nuances to other musical works.</p> <p>(II) The student learns the music theory and musicological background of the respective work and can relate it to his personal execution.</p> <p>(III) The student actively contributes to the preparation of the choral symphonic concerts. He is responsible for tasks in the field of public work and implements them on his own responsibility. Organizational skills, media skills, motivation, resistance to stress and the ability to work in a team are trained.</p> <p>The module consists of the following teaching forms:</p> <ul style="list-style-type: none"> <li>• Sectional and mixed rehearsals (weekly, and during up to two Saturdays per semester), and final rehearsal with orchestra and soloists. Weekly detailed instructions for the passages, which need to be prepared in self-study. Regular participation in the rehearsals (at least 80% attendance) is a prerequisite for concert participation.</li> <li>• Targeted voice training in voice groups by professional voice trainers with intensive and equal guidance in voice and ear training on the respective work, as well as individually adapted training units.</li> <li>• Introduction to the work (approx. 1 hour per work), in which the student will learn about its music-theoretical background.</li> <li>• Competent support in developing ideas / concepts for tasks in public outreach, concert organization and cultural management.</li> </ul>
