Contents

An advanced knowledge of biblical Hebrew.

Intended learning outcomes

At the end of the course, students will have developed an advanced knowledge of biblical Hebrew. They will have developed the ability to read, understand, and interpret texts written in biblical Hebrew and will thus be able to engage in specialised biblical studies.

Courses (type, number of weekly contact hours, language — if other than German)

Ü (3)

Method of assessment (type, scope, language — if other than German, examination offered — if not every semester, information on whether module is creditable for bonus)

a) written examination (approx. 120 minutes) and oral examination of one candidate each (approx. 15 minutes), weighted 1:1

Assessment offered: Once a year, summer semester

Language of assessment: German/Hebrew

Allocation of places

max. 25 places. Should the number of applications exceed the number of available places, places will be allocated according to the number of subject semesters. Among applicants with the same number of subject semesters, places will be allocated by lot. A waiting list will be maintained and places re-allocated by lot as they become available.
