Contents

The communicative aspect of preaching: theory and practice. Discussion of, and training in, novel forms of communication of faith on the basis of current homiletic approaches. Practical exercises to give students the opportunity to gain experience in selected aspects of the propagation of the word of God as well as to reflect upon that experience.

Intended learning outcomes

At the end of the course, students will have developed an awareness of the communicative aspect of preaching and will have gained proficiency in preaching.

Courses (type, number of weekly contact hours, language — if other than German)
