Contents
Students are introduced to selected topics in biblical theology. They develop specialised and methodical skills.

Intended learning outcomes
At the end of the course, students will have developed a knowledge of selected topics in biblical theology as well as subject-specific transferable skills. Students will be able to group the books of the Bible by themes and to interpret them on the basis of specific criteria. Having engaged in a thorough review of the texts, students will be able to work with the Bible in an appropriate manner.
