Contents		
The foundations of biblical theology. An insight into the circumstances surrounding the writing of the books of the Bible including the discussion of key events in the history of Israel and early Christianity. Lectures on the books of the Old and the New Testament will be offered that dovetail with the core curricula of state examinations.		
Intended learning outcomes		
At the end of the course, students will have gained an overview of the historical backgrounds of the books of the Bible. They will have become familiar with topics and methods in Old as well as New Testament exegesis and theology and will thus be able to work with texts in an appropriate manner.
