<b>Contents</b>		
<p>This module provides students seeking specialisation in historical theology (out of personal interest, for their Master's theses, or for subsequent doctoral studies) with deeper insights into advanced topics and current problems in historical theology than regular courses. It also gives students the opportunity to review historical sources and use research methods in historical theology.</p>		
<b>Intended learning outcomes</b>		
<p>At the end of the course, students will have become familiar with advanced topics and current problems in historical theology and research in church history. They will have developed the ability to review historical sources and will have a good proficiency in research methods in historical theology.</p>
