Contents		
This module comprises a range of theological seminars offered by the respective Subject Representatives (<i>Fachvertreter</i>). These seminars - some of them may be interdisciplinary - give students the opportunity to discuss topics in theology in more detail. Topics vary and are announced in advance.		
Intended learning outcomes		
At the end of the module, students will have developed the ability to explore selected topics in theology (in more detail), using scholarly methods, and to present and communicate their findings in an appropriate manner. They will be proficient in relevant research methods and will be able to help create a classroom atmosphere that encourages all students to actively participate in the generation and use of knowledge.
