Contents

Seminar to give students the opportunity to investigate or explore in more detail selected topics in practical theology, using scholarly methods. Students will be expected to be active participants in the course.

Intended learning outcomes

At the end of the module, students will have developed the ability to approach selected topics in practical theology, using scholarly methods, and to present their findings in an appropriate manner. They will be able to help create a classroom atmosphere that encourages all students to actively participate in the generation and use of knowledge.
