### Contents

Placement to provide students with insights into a potential area of employment for theologians. Students will write a reflective report on their placement that will serve as the basis for a wrap-up discussion of placement activities, experiences made during the placement as well as the relevance of the theoretical fundamentals acquired at university.

### Intended learning outcomes

At the end of the course, students will have gained insights into a potential area of employment for theologians. They will be able to critically reflect upon the personal, theological, and methodological skills they have developed as well as upon the potential areas of employment.

### Courses

P (no information on SWS (weekly contact hours) and course language available)

### Method of assessment

project with project outline and reflective report (approx. 30 hours total)

### Allocation of places

--

### Additional information

--

### Referred to in LPO I

(examination regulations for teaching-degree programmes)

--

### Module appears in

Master's degree (2 majors) Theological Studies (2012)
