Contents		
Study of theological literature to equip students with the ability to engage in the competent and scholarly investigation of, and reflection upon, issues in the discipline from a researcher's or a practitioner's point of view.		
Intended learning outcomes		
At the end of the course, students will have learned to expand their knowledge by reading academic literature as well as to reflect upon the knowledge they have gained from literature. They will have developed the ability to present the knowledge gained and discuss it in the context of theory construction in theology.
