### Contents
Placement to provide students with insights into a potential area of employment for theologians. Students will write a reflective report on their placement that will serve as the basis for a wrap-up discussion of placement activities, experiences made during the placement as well as the relevance of the theoretical fundamentals acquired at university.

### Intended learning outcomes
At the end of the course, students will have gained insights into a potential area of employment for theologians. They will be able to critically reflect upon the personal, theological, and methodological skills they have developed as well as upon the potential areas of employment.
