### Contents

A range of modules offered in cooperation with Zentrum für Pastoralassistenten/-innen, the Würzburg centre for theology students and future lay pastors, that focus on aspects relating to communication and interpersonal interaction in church-related contexts: The module Kommunikationstraining (Communication Skills) introduces students to different theoretical perspectives on communication and gives them the opportunity to reflect upon their own communication. The module Leiten und Kooperieren (Leadership and Cooperation) explores issues relating to leadership and the behaviour of groups. The module Stimmbildung und Rhetorik (Voice Formation and Rhetoric) gives students the opportunity to receive voice training for the church and the classroom and learn more about related issues.

### Intended learning outcomes

At the end of the course, students will have enhanced their communication skills and reflected upon their own communication. They will have developed a greater awareness of the way in which they communicate and will have explored aspects relating to communication and interpersonal interaction in church-related contexts.
