assessments.	1 semester		undergraduate	By way of exception, additional prerequisites are listed in the section on assessments.		

Contents

Anatomy I: musculoskeletal system, cranium, respiratory system, cardiovascular organs, digestive organs, urinary organs, sexual organs, brain. Part 1: cytology/histology. Part 2: microscopic anatomy. Anatomy II: organ systems, general and special anatomy of the digestive, cardiovascular, respiratory and urogenital organs and endocrine glands, central and peripheral nervous system, general and special histology, fundamentals of histopathology, general cytology and histology, microscopy of tissue sections, practical exercises.

Intended learning outcomes

The students are familiar with the foundations of general and special microscopic as well as macroscopic anatomy.

Courses (type, number of weekly contact hours, language — if other than German)

This module comprises 2 module components. Information on courses will be listed separately for each module component.

- 03-98-ANA-1-132: S + Ü (no information on SWS (weekly contact hours) and course language available)
- 03-98-ANA-2-132: S + V + P (no information on SWS (weekly contact hours) and course language available)

Method of assessment (type, scope, language — if other than German, examination offered — if not every semester, information on whether module is creditable for bonus)

Assessment in this module comprises the assessments in the individual module components as specified below. Unless stated otherwise, successful completion of the module will require successful completion of all individual assessments.

Assessment in module component 03-98-ANA-1-132: Anatomy and Cell Biology Anatomy and Cell Biology

- 5 ECTS, Method of grading: numerical grade
- a) written examination (approx. 60 to 90 minutes) or b) oral examination of one candidate each (approx. 20 minutes)
- Assessment offered: once a year, winter semester
- Other prerequisites: Admission prerequisite to assessment: regular attendance of courses (lectures excluded) as specified at the beginning of the course.

Assessment in module component 03-98-ANA-2-132: Histology Histology Histology

- 5 ECTS, Method of grading: numerical grade
- a) 2 written examinations (approx. 60 minutes each), weighted 1:2 or b) 2 oral examinations of one candidate each (approx. 20 minutes), weighted 1:2
- Assessment offered: once a year, summer semester
- Other prerequisites: Admission prerequisite to assessment: regular attendance of courses (lectures excluded) as specified at the beginning of the course.

cluded) as specified at the beginning of the course.
