

Module title		Abbreviation
From experiment to publication and ethics in science		03-98-FSQ-EPE-092-m01
Module coordinator		Module offered by
Dean of Studies Biomedizin (Biomedicine)		Faculty of Medicine
ECTS	Method of grading	Only after succ. compl. of module(s)
2	(not) successfully completed	--
Duration	Module level	Other prerequisites
1 semester	undergraduate	By way of exception, additional prerequisites are listed in the section on assessments.
Contents		
Writing scientific texts: definition of topic, development of structure and outline, content production, review of and comment on secondary literature, time management. Scientific ethics: general bioethics, ethics of research involving human subjects, ethical implications of genetic screening.		
Intended learning outcomes		
Students acquire fundamental insights into the steps from the generation of scientific data to their publication. They acquire an insight into the ethical implications of research with particular respect to genetic issues and human self-determination.		
Courses (type, number of weekly contact hours, language — if other than German)		
This module comprises 2 module components. Information on courses will be listed separately for each module component. <ul style="list-style-type: none"> • 03-98-FSQ-EXP-1-092: V (no information on SWS (weekly contact hours) and course language available) • 03-98-FSQ-ETH-1-092: V (no information on SWS (weekly contact hours) and course language available) 		
Method of assessment (type, scope, language — if other than German, examination offered — if not every semester, information on whether module is creditable for bonus)		
Assessment in this module comprises the assessments in the individual module components as specified below. Unless stated otherwise, successful completion of the module will require successful completion of all individual assessments.		
<p>Assessment in module component 03-98-FSQ-EXP-1-092: From experiment to publication - how science works</p> <ul style="list-style-type: none"> • 1 ECTS, Method of grading: (not) successfully completed • preparation of educational materials and materials for demonstrations (approx. 10 pages) • Other prerequisites: Admission prerequisite to assessment: regular attendance as specified at the beginning of the course. <p>Assessment in module component 03-98-FSQ-ETH-1-092: Ethics in Science</p> <ul style="list-style-type: none"> • 1 ECTS, Method of grading: (not) successfully completed • preparation of educational materials and materials for demonstrations (approx. 10 pages) • Other prerequisites: Admission prerequisite to assessment: regular attendance as specified at the beginning of the course.
