

Module title		Abbreviation
Careers in Science		03-98-FSQ-KAR-092-m01
Module coordinator		Module offered by
Dean of Studies Biomedizin (Biomedicine)		Faculty of Medicine
ECTS	Method of grading	Only after succ. compl. of module(s)
1	(not) successfully completed	--
Duration	Module level	Other prerequisites
1 semester	undergraduate	--
Contents		
<p>The module outlines ways to plan and pursue an academic career. Information about the various career stages and career paths in science gives an overview of prospects. Different types of funding are discussed as well as examples of selected (women's) careers in science, also in relation to the reconciliation of work and family commitments.</p>		
Intended learning outcomes		
<p>The students acquire a fundamental knowledge of the different career paths in science up to professorships at universities in Germany and they are familiar with the respective requirements as well as essential sources of funding.</p>		
Courses (type, number of weekly contact hours, language – if other than German)		
V (no information on SWS (weekly contact hours) and course language available)		
Method of assessment (type, scope, language – if other than German, examination offered – if not every semester, information on whether module is creditable for bonus)		
preparation of educational materials and materials for demonstrations (approx. 10 pages)		
Allocation of places
