### Module title
Learning strategies and preparation for exams

### Abbreviation
03-98-FSQ-LERN-092-m01

### Module coordinator
Medical Psychology and Psychotherapy

### Module offered by
Faculty of Medicine

### ECTS
2

### Method of grading
Only after succ. compl. of module(s)

### (not) successfully completed
--

### Duration
1 semester

### Module level
undergraduate

### Other prerequisites
Admission prerequisite to assessment: regular attendance of courses (as specified at the beginning of the course).

### Contents
This module will provide students with advice on how to independently organise their university studies as well as advice on learning strategies, learning techniques and time management. During a lecture series and an expert tutorial in workshop format, students will receive useful advice on exam preparation.

### Intended learning outcomes
Students acquire learning skills and techniques to help them cope with the demands of their courses and prevent test anxiety by efficiently preparing for exams.

### Courses (type, number of weekly contact hours, language — if other than German)
V + S (no information on SWS (weekly contact hours) and course language available)

### Method of assessment (type, scope, language — if other than German, examination offered — if not every semester, information on whether module is creditable for bonus)
presentation (approx. 15 minutes)

### Allocation of places
--

### Additional information
--

### Referred to in LPO I (examination regulations for teaching-degree programmes)
