## Duration

1 semester

## Module level

undergraduate

## Other prerequisites

Prior approval by degree programme coordinator required.

## Contents

Students work as tutors. They support other students, in particular in the context of courses and study planning, and they participate as assistants in the organisation and planning of exercises and lab courses.

## Intended learning outcomes

Tutors are able to communicate complex technical facts in a clear and structured way. They have gained experience in the supervision and motivation of groups, and they have practised applying conflict resolution strategies.
