## Module title

**Practical Course in Human Genetics**

### Abbreviation

03-98-MHG-P-152-m01

### Module coordinator

holder of the Chair of Human Genetics

### Module offered by

Faculty of Medicine

### ECTS

10

### Method of grading

(only after successful completion of module(s))

### Duration

Graduate

### Contents

Students will work on a current topic in the field of human genetics.

### Intended learning outcomes

Participants have acquired the knowledge and skills necessary to carry out scientific work in different areas of human genetics. They are able to work on problems in human genetics, adhering to the principles of good scientific practice, as well as to document their work.

### Courses

- **P** (10)
  - Module taught in: German/English

### Method of assessment

- a) written examination (30 to 60 minutes) or
- b) oral examination of one candidate each (30 to 60 minutes) or
- c) oral examination in groups of up to 3 candidates (approx. 30 to 60 minutes)
