

Module title		Abbreviation
Biomedical courses from other programs		03-98-MVAND-152-m01
Module coordinator		Module offered by
Dean of Studies Biomedizin (Biomedicine)		Faculty of Medicine
ECTS	Method of grading	Only after succ. compl. of module(s)
5	(not) successfully completed	--
Duration	Module level	Other prerequisites
1 semester	graduate	Please consult with degree programme coordinator in advance.
Contents		
Students broaden their insights into related disciplines and thereby complement the teaching portfolio of the program.		
Intended learning outcomes		
Students understand the approaches of related disciplines and are able to apply corresponding concepts and methods to problems in translational medicine. They possess enhanced cooperation and communication skills across disciplinary boundaries.		
Courses (type, number of weekly contact hours, language — if other than German)		
V (3) Module taught in: German/English Course type: alternatively P or S		
Method of assessment (type, scope, language — if other than German, examination offered — if not every semester, information on whether module is creditable for bonus)		
a) written examination (30 to 60 minutes) or b) oral examination of one candidate each (30 to 60 minutes) or c) oral examination in groups of up to 3 candidates (approx. 30 to 60 minutes) Students will be informed about the method, length and scope of the assessment prior to the course. Language of assessment: German and/or English
