Module title: Final Examination Experimental Medicine
Abbreviation: 03-EM-MA-132-m01

Module coordinator: chairperson of examination committee of complementary non-degree programme Experimentelle Medizin (Experimental Medicine)
Module offered by: Faculty of Medicine

ECTS: 30
Method of grading: numerical grade
Duration: 1 semester

Contents:
Students conduct a scientific research project, using appropriate methods and adhering to the principles of good scientific practice. They document and discuss their work in a thesis and defend it in a final colloquium.

Intended learning outcomes:
Students are able to independently carry out scientific work according to the rules of good scientific practice. They are able to document and, where necessary, adjust their research as well as to interpret their findings in a larger context. Students are able to defend their work in front of a professional audience.
