

Module title		Abbreviation
Research methodology (I: Clinical trial methodology, II: Transferable skills training)		03-KFE-07-152-m01
Module coordinator		Module offered by
Institute of Clinical Epidemiology and Biometry (ICE-B)		Faculty of Medicine
ECTS	Method of grading	Only after succ. compl. of module(s)
6	numerical grade	--
Duration	Module level	Other prerequisites
1 semester	graduate	--
Contents		
Attendance of the certified course for clinical investigators offered by the Clinical Trial Centre Würzburg; attendance of three courses of the participant's choice offered by the GSLS.		
Intended learning outcomes		
Participants are familiar with the fundamental principles of good clinical practice, legal requirements for drug and medical device studies and other regulatory aspects. They are also familiar with requirements regarding the study protocol, the conduct of a study, data management and quality assurance. The students acquire and extend their technical skills in scientific work such as writing papers, giving talks, professional poster design, literature search etc.		
Courses (type, number of weekly contact hours, language — if other than German)		
S (3) + V (3)		
Method of assessment (type, scope, language — if other than German, examination offered — if not every semester, information on whether module is creditable for bonus)		
report (5 to 10 pages)		
Allocation of places
