Module title: Immunology 1 BS  
Abbreviation: 03-MIM1-BS-152-m01

Module coordinator: Managing Director of the Institute of Virology and Immunobiology  
Module offered by: Faculty of Medicine

ECTS: 5  
Method of grading: Only after successfully completed module(s)

Duration: 1 semester  
Module level: graduate  
Other prerequisites: --

Contents:
Foundations of molecular and cellular immunology as well as infection biology which allow a deeper understanding of immune-mediated defence mechanisms against infectious diseases. For more information, please visit http://www.virologie.uni-wuerzburg.de/lehrveranstaltungen/vorlesungen_und_praktika/immunologie/immunologie_biology_master/.

Intended learning outcomes:
Students will gain a knowledge of fundamental concepts and methods in molecular and cellular immunology and will be able to present and discuss these.

Courses:
Type, number of weekly contact hours, language — if other than German:
S (2)  
Module taught in: English  
Winter semester only

Method of assessment:
Type, scope, language — if other than German, examination offered — if not every semester, information on whether module is creditable for bonus:
Students will be informed about the method, length and scope of the assessment prior to the course. Usually, one of the following options will be chosen: a) written examination (30 to 60 minutes, including multiple choice questions) or b) log (15 to 30 pages) or c) oral examination of one candidate each (30 to 60 minutes) or d) oral examination in groups of up to 3 candidates (30 to 60 minutes) or e) presentation (20 to 45 minutes)  
Language of assessment: German and/or English

Allocation of places:
--

Additional information:
