

<b>Module title</b>		<b>Abbreviation</b>
Winter School		03-TM-WSCH-181-m01
<b>Module coordinator</b>		<b>Module offered by</b>
degree programme coordinator Translational Medicine		Faculty of Medicine
<b>ECTS</b>	<b>Method of grading</b>	<b>Only after succ. compl. of module(s)</b>
2	(not) successfully completed	--
<b>Duration</b>	<b>Module level</b>	<b>Other prerequisites</b>
1 semester	graduate	--
<b>Contents</b>		
Alternating and comprehensive topics of high relevance from the field of translational medicine are presented and discussed by students, lecturers and external speakers within the framework of a retreat.		
<b>Intended learning outcomes</b>		
Students learn to comprehensively work on a limited medical topic in small groups and to present it to a professional audience. They can participate in the discussion of current research results in an interdisciplinary context with critical questions.		
<b>Courses</b> (type, number of weekly contact hours, language – if other than German)		
S (2)		
<b>Method of assessment</b> (type, scope, language – if other than German, examination offered – if not every semester, information on whether module is creditable for bonus)		
presentation (approx. 30 minutes) Language of assessment: English		
<b>Allocation of places</b>
