### Contents
Cutting edge topics in neurosciences, content varies each semester.

### Intended learning outcomes
Students gain an overview of current topics in neurosciences.

### Courses
(type, number of weekly contact hours, language — if other than German)

V (no information on SWS (weekly contact hours) and course language available)

### Method of assessment
(type, scope, language — if other than German, examination offered — if not every semester, information on whether module is creditable for bonus)

Methods of assessment: a) written examination (30 to 60 minutes; including multiple choice questions) or b) oral examination of one candidate each (30 to 60 minutes) or c) oral examination in groups of up to 3 candidates (approx. 30 to 60 minutes); students will be informed about the method, length and scope of the assessment prior to the course.

### Allocation of places
--

### Additional information
Additional information on module duration: 1 to 2 semesters.

### Referred to in LPO I
(examination regulations for teaching-degree programmes)
