# Module description

## Module title
Neurology/ Neurosurgery 2

## Abbreviation
03-TN-NN2-152-m01

## Module coordinator
Department of Neurology, Department of Neurosurgery

## Module offered by
Faculty of Medicine

## ECTS
5

## Method of grading
(only after succ. compl. of module(s))

## Duration
1 semester

## Module level
graduate

## Other prerequisites
--

## Contents
The literature seminar is based on fundamental literature on lecture-relevant topics to document the experiments underlying our present knowledge in neurology/neurosurgery.

## Intended learning outcomes
Students will have learned how to critically read scientific publications and how to extract the data and bring it forward in their own project. In addition, they will have learned how to record and analyse data and how to present it in oral and written form.

## Courses
(type, number of weekly contact hours, language — if other than German)
