<p>In this module, the student will develop a sound basic knowledge of the Turkish language. Turkish language skills are not only important for numerous practical purposes (working with Turkish-born persons in Germany). A knowledge of Turkish, an agglutinative language, will also be of advantage when learning the Non-Indo-European languages of the ancient Near East. In addition, Turkish language skills are required for Hittitologists to be able to work in the country of origin of Hittite texts.</p>
