Contents		
Introduction to the development, formation and structure of the Egyptian scripts (Hieroglyphs, Hieratic, Demotic), the cuneiform script and other ancient Oriental scripts. The numerous languages of the Ancient Near East will be presented in their distribution, cultural significance, relations and fundamental structural phenomena, while the Egyptian language development of 4000 years will be pursued. A systematic genre-orientated overview of the written remains of the Ancient Near East and a presentation of the most important text genres, topics and research issues concerning the ancient Egyptian literature accomplishes this module.		
Intended learning outcomes
