Bachelor's thesis: The treatment of a specific Egyptological problem by applying scholarly methods within a time period determined by ASPO regulations. In the case of a bachelor with two main disciplines, a topic can be provided that covers an issue which affects both main subjects interdisciplinarily. The topic is to be agreed upon with an authorised examiner or, in the case of an interdisciplinary thesis, two authorised examiners.		
Intended learning outcomes		
Students are able to deal with a certain Egyptological problem by applying scholarly methods and are able to present their results in written form in a linguistically adequate manner.
