Other prerequisites: By way of exception, additional prerequisites are listed in the section on assessments.

Contents
The module provides students with skills of the Egyptian art history and monumental knowledge. Be it the area of architecture, plastics, relief art or painting, some typical issues of the Egyptian art history are covered in detail in the offered courses. Thus, questions of the iconography will be discussed. Skills of the Egyptian language are not required for courses of this module, but would be desirable. A part of the module can be a trip to an Egyptian collection or to Egypt.

Intended learning outcomes
Students have an overview of facts, research issues and technical literature concerning the Egyptian history of art. They acquire monumental skills and the ability to critically regard the technical literature. They are familiar with the stylised development of Egyptian art in its fundamental principles. They are able to correctly interpret the most important iconographic features of Egyptian art.
