## Contents

The module provides students with skills of the Egyptian cultural history and monumental knowledge. Be it the area of architecture, plastics, relief art or painting, some typical issues of the Egyptian cultural history will be covered in detail in the offered courses. Thus, questions of the iconography will be discussed. Skills of the Egyptian language are not required for courses of this module, but would be desirable. A part of the module can be a trip to an Egyptian collection or to Egypt.

## Intended learning outcomes

Students have an overview of facts, research issues and technical literature concerning the Egyptian history of art. They are acquainted with monumental skills and are able to critically regard the specialised literature. They are familiar with the stylised development of Egyptian art in its fundamental principles. They are able to correctly interpret the most important iconographic features of Egyptian art.
