Contents
Introduction to the sources of the Egyptian religious history. According to the previous knowledge of the seminar participants, the sources will be read in the original Egyptian language, however, it is not expected that students are acquainted with this language. As religion affects numerous areas of the Egyptian culture, the module imparts a basic introduction to the mental world of Egyptians.

Intended learning outcomes
Introduction to sources of Egyptian religious history. According to the previous knowledge of students, sources will be read in the Egyptian original language, however, the courses of this module will not require skills of this language. As religion affects several areas of the ancient Egyptian culture, the module provides students with a fundamental introduction to the Egyptian mental world.
