<b>Contents</b>		
This module equips students with an advanced knowledge of the history of the US. It provides an overview of US history and discusses selected examples. The courses discuss the history of different regions of the US as well as methods in history that are employed in the US. Courses are held at Kent State University, Ohio.		
<b>Intended learning outcomes</b>		
This module provides students with deeper insights into major developments in the history of different regions of the US, taking a range of aspects into account (e. g. politics, the economy, society, culture, ideas, or mentalities). Students are able to consider this/these aspect(s) in a general historical context and to identify interdependencies.
