Contents		
This module equips students with an advanced knowledge of the history of the US. It provides an overview of US history and discusses selected examples. The courses discuss research projects in history that are currently ongoing in the US. Courses are held at Kent State University, Ohio.		
Intended learning outcomes		
This module provides students with deeper insights into major developments in the history of the US and into research projects in regional history that are currently ongoing in the US, taking a range of aspects into account (e. g. politics, the economy, society, culture, ideas, or mentalities). Students are able to consider this/these aspect(s) in a general historical context and to identify interdependencies.
