## Contents
Looking at selected aspects, this module compares and contrasts three regions: Franconia, Tuscany, and Ohio. The courses discuss research projects in history that are currently ongoing in these regions. Courses are held at Kent State University, Ohio.

## Intended learning outcomes
This module provides students with deeper insights into major developments in the history of Europe and the US and into research projects in regional history that are currently ongoing in Europe and the US, taking a range of aspects into account (e.g. politics, the economy, society, culture, ideas, or mentalities). Students are able to consider this/these aspect(s) in a general historical context and to identify interdependencies.
