Contents		
This module equips students with an advanced knowledge of the regional history of Franconia and Bavaria. It provides an overview of Franconian and Bavarian history and discusses selected examples. The courses explore key problems in and sources of regional history in the context of ongoing research projects.		
Intended learning outcomes		
Students gain an overview of major developments in regional history and consolidate their knowledge of one or more themes or periods, taking a range of aspects into account (e. g. politics, the economy, society, culture, ideas, or mentalities). They are able to consider this/these theme(s) or period(s) in a general historical context and to identify interdependencies.
