<b>Contents</b>		
<p>This module offers an introduction to different aspects of academic writing, ranging from basic formal, linguistic and technical aspects to questions of critical literature selection and analysis, or the selection of an appropriate and manageable topic for a term paper or Master thesis. These aspects will be discussed and practiced during in class. Finally students will have to produce a term paper. The supervisor supports the students during this process by monitoring the selection of a suitable topic, by making sure that the students employ a relevant range of up-to-date research literature, and by enforcing formal and technical standards of academic paper writing.</p>		
<b>Intended learning outcomes</b>
