<p>Building on the foundations of Modern Chinese 1 vocabulary is extended to ca. 700 characters and grammatical phenomena are trained by intensive written and oral exercises. Theory and praxis of Chinese grammar is extended by use of textbook and the introduction to further adequate texts and audio material. Written and oral expression is trained to extend active application of learned grammatical phenomena. Basic translation abilities are introduced.</p>		
Intended learning outcomes		
<p>Students are able to systematically apply grammatical structures based on text based knowledge. They have the ability to reproduce known texts or texts close to the teaching material and to independently formulate compound sentences. They have a good listening comprehension of the textbook material and an active knowledge of ca. 700 Chinese characters. They are able to produce translations within the range of known vocabulary.</p>
