1 semester	graduate	--
Contents		
<p>This module offers students the opportunity to get acquainted with and discuss important questions in China's academic discourse. Based on a lecture series and extensive readings of materials from newspapers, journals and books, this course provides students insights into major current debates and issues, along with their wider social and political implications. The lecture series is accompanied by discussions among International and Chinese students, while texts also serve as the basis for discussions.</p>		
Intended learning outcomes		
<p>This course provides additional training in the reading of Modern Chinese texts, and in the oral skills of argumentation.</p>
