Contents		
<p>China exhibits a novel mix of economic dynamism, social modernization and the political structures of an authoritarian political system run by a Communist Party. This unique and at the same time highly dynamic scenario calls for a multi-disciplinary approach to disentangle the various interconnected developments. Therefore, in this modules students select a seminar from the master program "Chinese studies" with a focus on contemporary Chinese societal issues.</p>		
Intended learning outcomes		
<p>Students gain in-depth understanding in one topic of Contemporary Chinese Studies, familiarize themselves with relevant theoretical and methodological approaches and train their analytical capacities. Classroom discussions of relevant research literature enhance the students' oral presentation abilities.</p>
