## Contents

In this module students discuss a topical issue of Chinese politics, society or economy. The focus of the module is on issues that are emerging in China and, for instance, dominating the news. The module explores the background of the topic, links current debates with recent and earlier events or debates, and offers theoretical approaches to assess the topic's relevance for China.

## Intended learning outcomes

Students learn to comment on current developments and to embed topical issues into historical and theoretical contexts. They learn to detect pitfalls of topical media coverage and strengthen their debating skills.
