## Contents
Fundamental range of subjects, concepts, approaches and methods of linguistic, literature and media courses and the respective sub-discipline teaching as well as the concretisation in reference to tasks of the educational institution school; Acquisition and advanced structure of the oral and written language acquisition as well as the linguistic and reading socialisation and parameters of influence; Domain-specific aspects of imparting of a teaching-learning or skill-oriented subject teaching; Realising of an teaching sequence into planning relevant categories; Transition between educational institutions or living and learn stages and their teaching aspects as teaching field of action in order to design acquisition processes or imparting processes (mostly by self-studies accompanied by reading matter).

## Intended learning outcomes
During courses, students will acquire fundamental knowledge of subject-specific teaching and learning processes of the sub-discipline didactics (linguistic, literature and media didactics). During the seminar, students will be familiar with associated reading matter and current problem fields and tasks, which are required as professional skills for the planning, implementation and contemplation of an independent modern German class. In doing so, students develop an understanding of a theory-driven, practice-oriented, subject-related field of action in pedagogical contexts.
