Intended learning outcomes		
During the specific type of school tutorial, this professional skill will be further developed by students with regard to specific teaching-related criteria and parameters of planning. In doing so, they consolidate their technical knowledge concerning specific extracts of the professional action in the classroom. Moreover, they extend their self-competence concerning the planning, presentation and reflection of lesson sequences. Here, they also extend their methodical repertoire of action as well as concerning the communication and interaction types and regarding the action fields that are practical for teaching.
