holder of the Chair of German Philology

Module offered by
Institute of German Studies

ECTS
5

Method of grading
numerical grade

Module level
undergraduate

Other prerequisites
By way of exception, additional prerequisites are listed in the section on assessments.

Contents

Consolidation, practice and extension of previous knowledge of Middle High German as well as the generic reading matter and analysis of respective texts of older German levels of language; In order to understand the reading matter and to deal independently with German texts from the Middle Ages, students will acquire fundamental literary-historical and historico-cultural skills and contexts: fundamental questions of text analysis, medieval literary forms, epochal structuring of medieval reading matter, the commentary of texts.

Intended learning outcomes

Students know chosen key texts of the German Middle Ages and possess subject-specific and methodological principles as well as fundamental perspectives of understanding in order to deal further with older German literature. Thus, they possess the required fundamental literary historical and historico-cultural skills and are familiar with the respective specialised literature.
