Contents

Students will be introduced to subdisciplines of German studies. Additionally, sub-subject comprehensive fundamental questions will be covered, such as: What is a sign? What is a text? What is an author? What are media? What is communication? What do rhetoric, poetics, aesthetics mean? Moreover, fundamental methods of literary work with texts of German literature from its beginnings to the present will be covered and students will be familiar with important introductory literature.

Intended learning outcomes

Students possess an overview of basic questions of German science and their subdisciplines. They are able to question the language in general and in particular literature concerning fundamental elements.
