Contents
Within the lecture, this module aims to provide an overview of the development of the German language from its beginnings to the present. Not only covers the module the German language history, but also processes of language change on the different levels of the language system. This course aims to put the acquired knowledge from the lecture - particularly concerning historical grammar- into practice and consolidate these skills on genuine texts from Old High German to Modern High German (with focus on Middle High German and Early Modern High German texts).

Intended learning outcomes
Students possess basic knowledge of the development of the German language from its beginnings up to the present. They are able to identify and analyse grammatical phenomena in texts of different language levels assuredly.
