| The module gives a broad overview of epochs, authors and literary forms of modern German history of literature. Authors, texts and contexts that play a key role for the understanding of literary epochs and issues will be covered. Moreover, the seminar provides students with basic principles of research methods and the research process and promotes the independent dealing with academic questions in oral or written form. |                   |                                                                                                                                                                       |
