By way of exception, additional prerequisites are listed in the section on assessments.

Contents

Students will acquire basic knowledge and generic reading matter of Middle High German as well as the skill to translate texts into modern German; Treatment of fundamental questions of literary forms and text analysis. Subsequently, consolidation, practice and extension of previous knowledge of Middle High German as well as the generic reading matter and analysis of respective texts of older German levels of language; In order to understand the reading matter and to deal independently with German texts from the Middle Ages, students will acquire fundamental literary-historical and historico-cultural skills and contexts: fundamental questions of text analysis, medieval literary forms, epochal structuring of medieval reading matter, the commentation of texts.

Intended learning outcomes

Students possess subject-specific fundamental knowledge as basis for further literary as well as language-historical dealing with older texts. They possess basics of Middle High German and are able to translate and analyse respective texts of older German language levels. They know the most important relevant specialised literature. Besides, students are acquainted with chosen key texts of the German Middle Ages and possess specialised and methodological basics as well as basic perspectives in order to understand and thus, to deal further with the older German literature. Of course, they possess the required basic literary historical and historico-cultural skills.
