**Contents**
The module covers basic modules and elements of literary texts (rhetorical forms, structures and terminology, common literary forms) as well as fundamental questions of literary analysis, interpretation and methodology. This module focuses on the practical application of specific terminology and categories of literary studies with the help of analysis and interpretations of examples from literary history.

**Intended learning outcomes**
Students know issues and forms of modern history of German literature as well as basic questions of literary methodology. They also possess the competence to ascribe complex texts to basic rhetorical and literary genre typological constitutive conditions in a methodical and reflective manner.

**Courses**
