Contents

This module provides an advanced insight into the research of everyday and popular culture from the view of European Ethnology / Cultural Anthropology. Specific everyday and popular cultures of history and present age will be examined, whilst taking local conditions into account. To that end, in addition to the basic introduction, students have to register for another advanced seminar to fully complete this module.

Intended learning outcomes

The module provides students with skills of cultural analysis in theory and practice. They acquire the ability to research and mediate the results independently with subject-specific background knowledge of European Ethnology / Cultural Anthropolgy. They are able to observe daily cultural phenomena critically and to classify them into major historico-cultural developments.
