Contents		
<p>This module explores creative processes and methods for enhancing creativity. Cutting-edge research on enablers of creativity will be applied in practical exercises. Practice-based research approaches will be used to develop strategies for overcoming inhibitors of creativity and fostering creative innovation. Musical material and approaches may be drawn from multiple traditions and may include transcultural and non-idiomatic musical activities.</p>		
Intended learning outcomes		
<p>Upon the successful completion of this module, students should be able to: demonstrate an understanding of creative processes, enabling conditions for creativity, and strategies for overcoming inhibitors of creativity; demonstrate an awareness of the nature of idiomatic boundaries and/or transcultural/non-idiomatic music-making; and apply creativity enhancing methods in practice.</p>
